message to adults (parents)

Enjoy your children's imagination.

When children are drawing, leave them alone or enjoy their conversation.

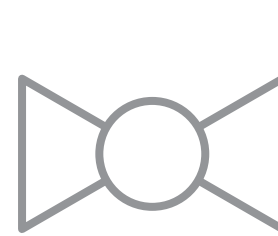

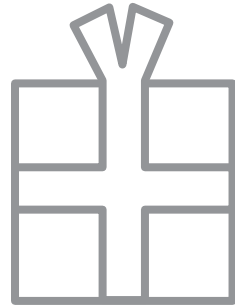

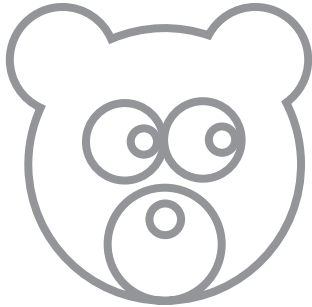

Please leave the color choice to them.

Find out what's good about your children's work, praise it, even if their drawings don't really exist.

Ask them why they choose this specific colors, and imagine them together.

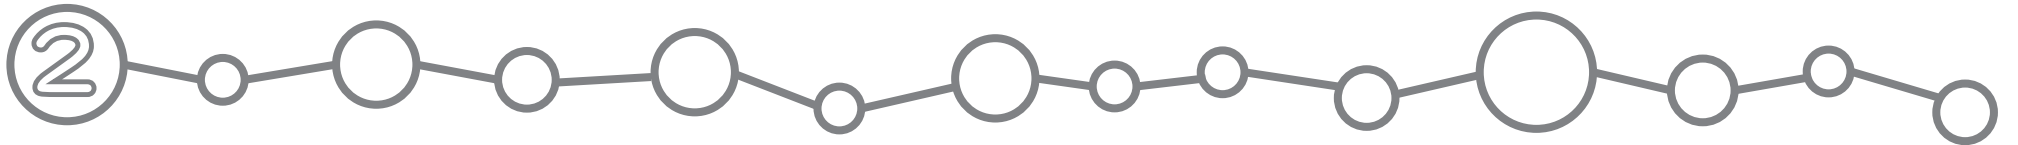

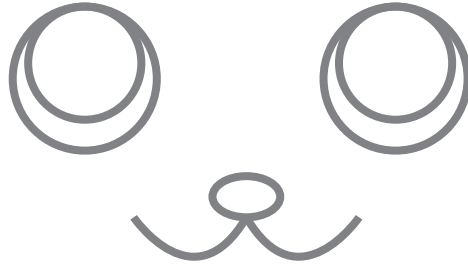

استمتعوا بخيال أطفالكم.

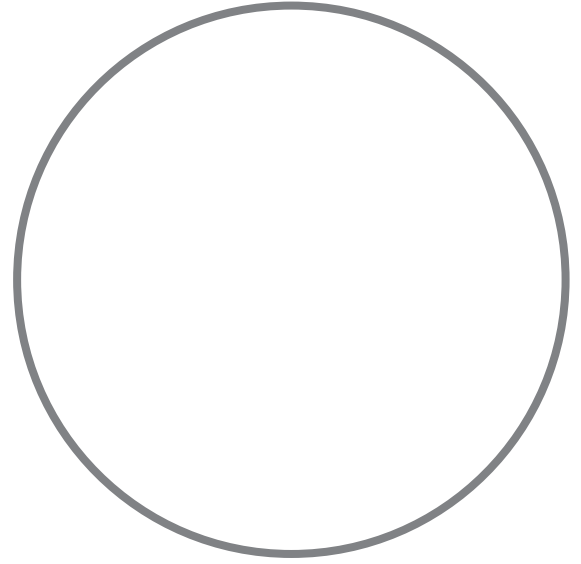

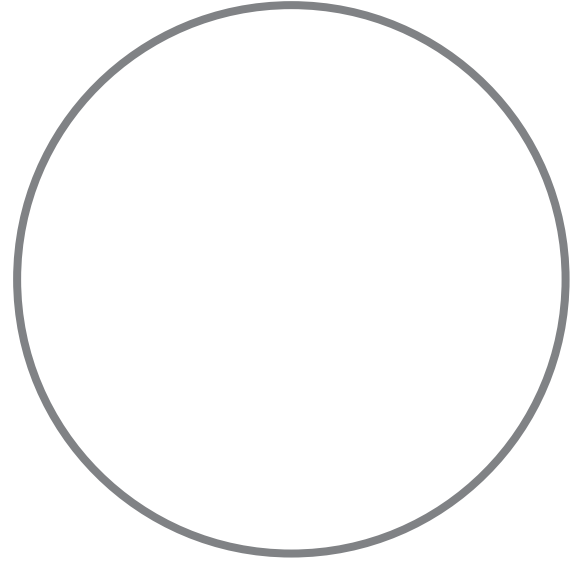

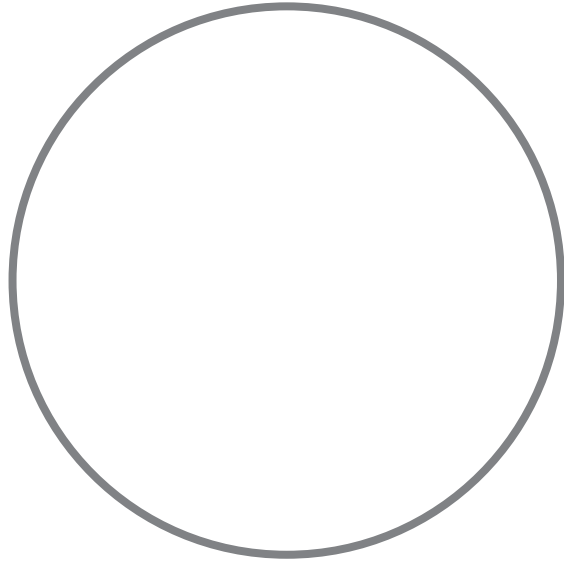

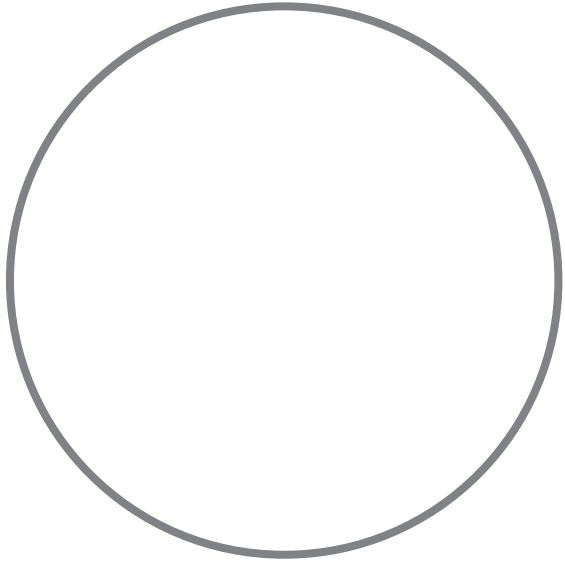

عندما يرسم الأطفال ، اتركهم بمفردهم أو استمتع بمحادثتهم. من فضلك اترك اختيار اللون للطفل.
اكتشف ما هو جيد في عمل طفلك، وامدحه، وإذا لم يكن هذا الرسم موجودًا بالفعل اسأل الطفل عن
سبب اختياره هذا اللون بالتحديد، وتخيله سويًا.

يا ترى شايفين إيه؟ فيه حاجة جوه الشكل أو برّاه؟

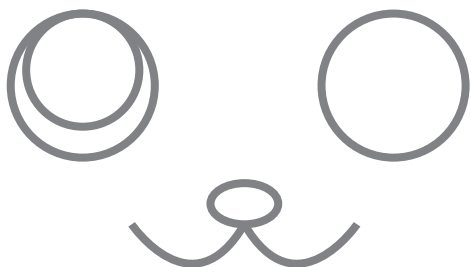

I wonder what you can see. Is there something inside or outside the shape?

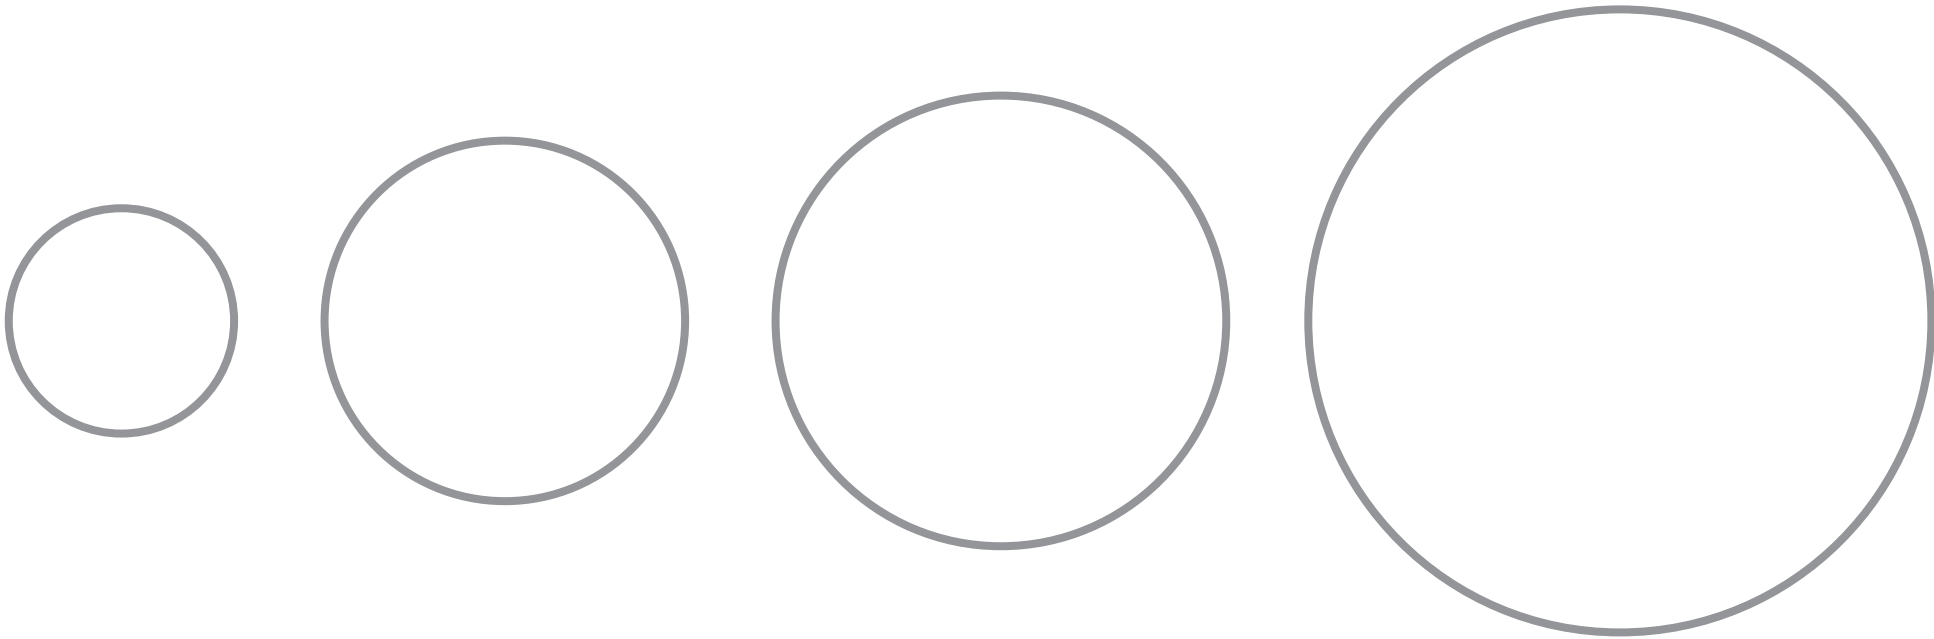

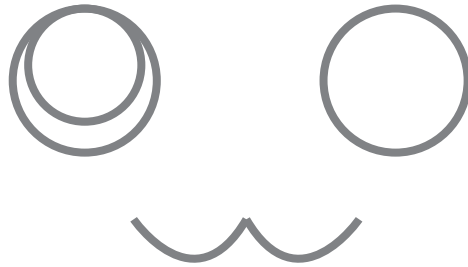

فیه دوایر کتیر! یا تری شکلهم شبه ایه؟

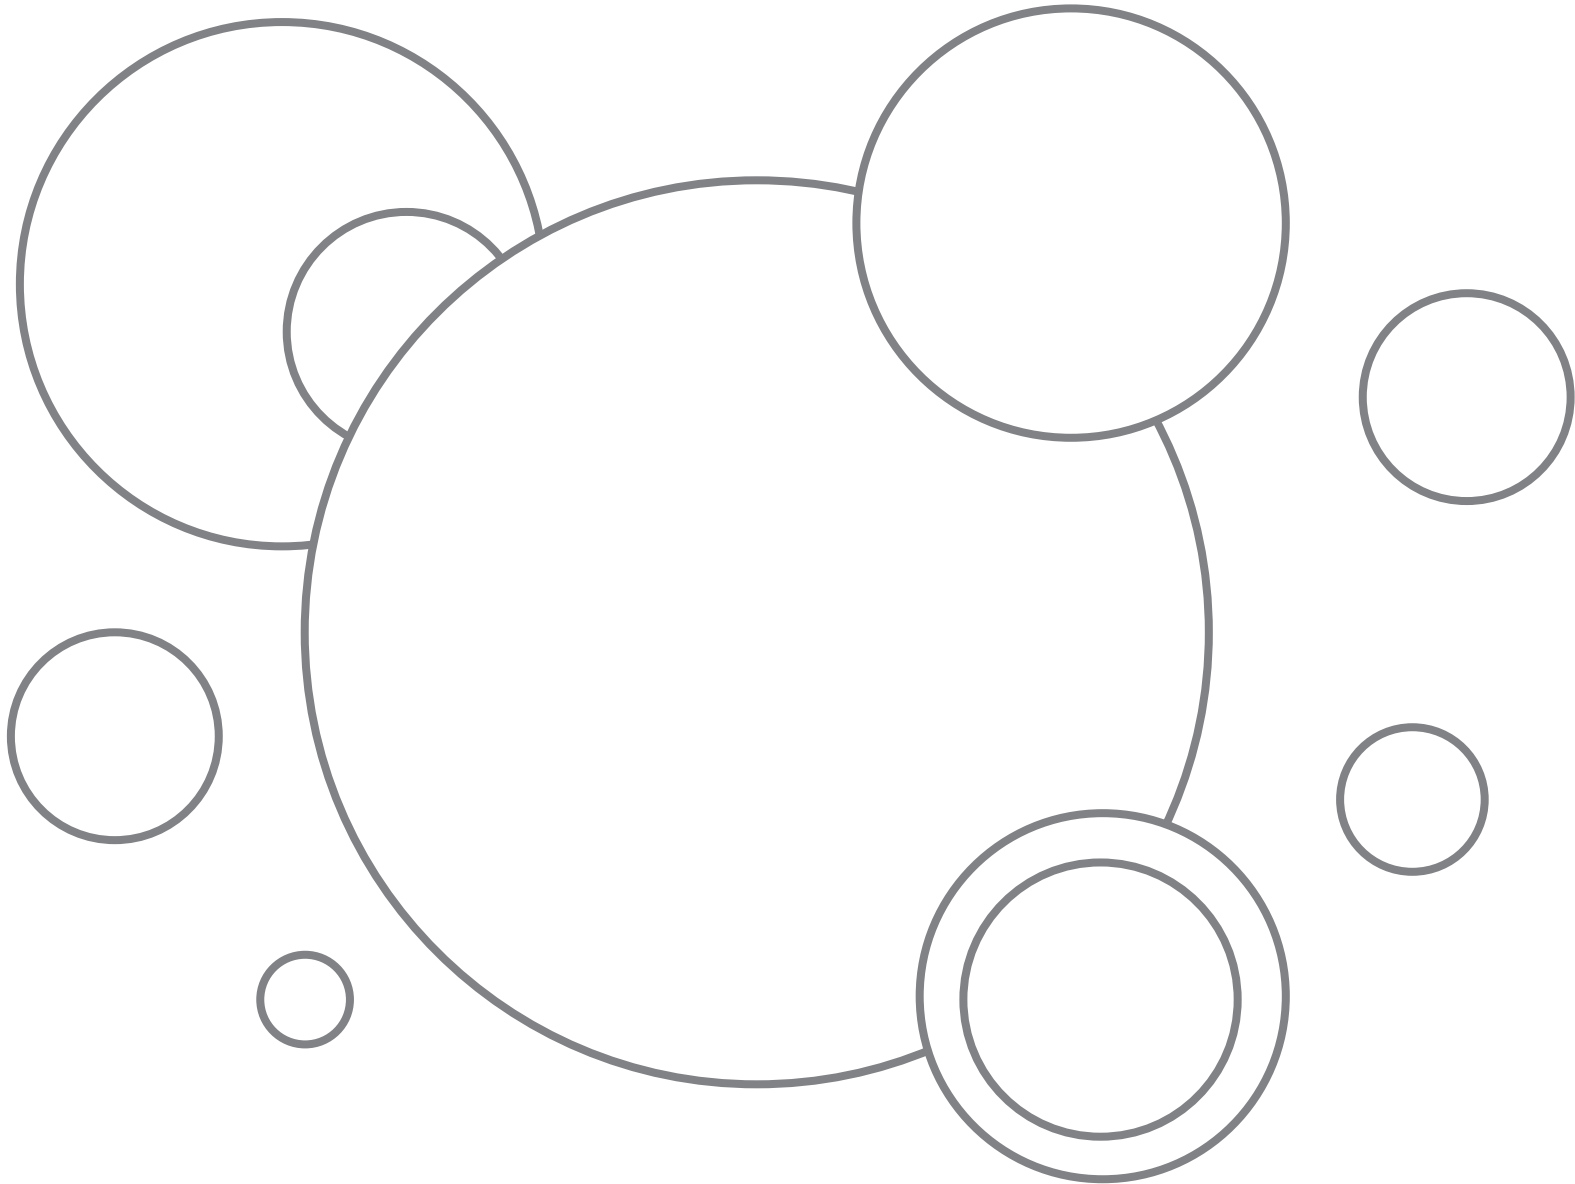

Lots of circles! I wonder what they look like.
